Barthol Chapel School Parents

30/01/2020

Dear Parents,

I would like to introduce myself as the new Active Schools Coordinator for Meldrum network. Active Schools aims to provide more and higher quality opportunities to take part in sport and physical activity before school, during lunchtime and after school, and to develop effective pathways between schools and sports clubs in the local community.

I have just had a meeting with Mr Anderson to look at how we can work together to provide more opportunities for the pupils at Barthol Chapel to participate in after school clubs locally, rather than having to travel to Meldrum or Inverurie.

The vast majority of Active Schools clubs are run by parent volunteers so we are looking for enthusiastic parents to come forward. We need your help to get "More children, more active more often." You do not need to be particularly sporty, have any coaching experience or be available to deliver clubs on your own every week. I will work with you to tailor any volunteering to suit your circumstances, support you through the volunteer induction process and help you with suitable training courses to assist you with your volunteering.

More information on volunteering with Active Schools is available here:
<http://jobs.aberdeenshire.gov.uk/active-schools-coach-volunteer/>

If you have any questions, please do not hesitate to contact me using the contact details at the top of the letter and I look forward to working with you!

Yours sincerely
Pete Young
Active Schools Coordinator (Meldrum)
