### 8. **Fundraising**

At the start of the year we had planned a pub quiz to take place in March, however due to the pandemic we have held two online family quizzes, raising £48. A huge thank you to those who take part in these!

Thank you to Nicola Park who has been working very hard making masks and selling these, with all proceeds going to the Parent Council. She has raised £250! Well done Nicola!

If you have any other suggestions for future fundraising, please email [bartholchapelparentcouncil@hotmail.com](mailto:bartholchapelparentcouncil@hotmail.com) or message via Facebook to the Barthol Chapel Parent Group, all ideas welcome!

We are planning to make a calendar for 2021, pupils will submit photos and the winning entries will be included in the calendar, which will be printed and sold.

We have been advised not to approach local businesses for raffle prizes this year as they themselves may be struggling due to the pandemic. Therefore, there will be no Christmas raffle this year. In its place we will do lucky squares at £5 per square. Please sell these squares to friends/family as we need to sell all the squares!

There are a number of grants available and we will be looking to prepare applications for these.

### **Amazon Smile**

We are looking into registering with Amazon Smile which is a simple, automatic way for anyone shopping online to support Parent Council at no extra cost to yourself. More details to follow.

### **9. Thank You Teachers and Staff**

We would like to say a very heartfelt thank you to all the teachers and staff for all they have done during the pandemic this year. I think it is testament to you all that the children have adapted to their new normal and are continuing to learn effectively during this time.
