

Barthol Chapel School

Another Award!!!!

We are delighted that our pupils in the Primary 5-7 class have managed to gain recognition in another area of the schools work. By completing a variety of real-life scientific experiments, the school has been awarded a BBC Terrific Scientific School of Excellence Award.

Funding Success

We are pleased to announce that the School and Parent Council have been successful in gaining funding for our garden project. The Rotary Club of Oldmeldrum have awarded £250 towards the project and AmeyArup, A96 Dualling East of Huntly to Aberdeen Community Development Fund have awarded the school £250. This will allow us to purchase more gardening tools, plants and flower.

Football Goalposts (one last plea)

I am putting a plea out to any parents who would be able to sand down and re-paint our football goal posts. They are long overdue a coat of paint. The school is happy to cover the cost of supplies to complete the job. If you are able to help, please contact the school office.

Coffee Afternoon – Friday 27th April

The parent council will be a coffee afternoon tomorrow. As advertised earlier, Erin will be selling home bakes to raise money for Girl Guiding ICE Project (International Community Experience). Pupils will have the opportunity to buy home bakes.

Family Disco

Reminder, 7pm at the school – last chance to buy tickets. Please note, children must be accompanied by an adult at this event.

Living & Growing

All children will be completing this important area of work in school as part of our Health & Wellbeing Curriculum. All content is age appropriate. Please follow this link to read our Relationships, Sexual Health and Parenthood Policy which outlines in detail the key areas covered by each stage. If you have any further questions or do not wish your child to participate in this, please contact the school.
