## Calor Gas Community Fund

The Parent Council have applied for a community grant as part of the Calor Gas Community Fund Scheme. Rural communities with projects off the mains gas grid have submitted projects for funding. The projects that receive the most votes on this site will be shortlisted then reviewed by a panel of judges, who will select the winning projects for funding.

Please can you register and vote for Barthol Chapel School's Community Garden Project by visiting the link and registering to vote. Each vote is linked to an email address. If you have more than one email address, please register each email address to increase the number of votes we need.

## Parent Council Chair

This is Anne Ritchie's last year of being the Parent Council Chair. Anne has been the chair for 2 years now. We thank Anne for all her hard work and dedication over the last two years. We will be looking for a new Parent Council Chair next session.

The Parent Council works to support **all** pupils in the school. The fund raising activities that the Parent Council organise benefit all the children in the school by subsidising buses for school trips, Christmas Parties, Santa Gifts, P7 hoodies, purchasing equipment for the school etc. Without this support, we would not be in the position to offer our pupils these experiences.

If you are interested in the position of Chair, please attend the Parent Council AGM which is to be held after the Summer Holiday.

## Tempest Whole School Photo Order
