Jammin Fitness!

We all had a fab time on Wednesday morning when we welcomed Andy McKechnie into school. Andy is an international motivational speaker and a former JCI World Public Speaking Champion. He delivered an amazing 'Jammin Fitness' workshop for the pupils – and his unique blend of storytelling and multicultural dance provided a very inspirational morning. Andy also talked about the importance of physical exercise and maintaining a positive self-image. It was a very important message delivered in a very engaging way. Thank you, Andy.

Tempest Photos

Tempest Photography will be at Barthol Chapel School on Monday 25th September to take individual/family photos. If you would like your child/ren to have their photo with a sibling who is not a pupil at Barthol Chapel School, please inform the school office and we will be able to accommodate this.

Data Check Forms

Recently, data check forms were sent home to allow you to check that the details we hold in school are up-to-date. If you have not returned the form to school, please do so as soon as possible. It is important that details are correct in case of an emergency – especially during the winter months when the weather may force us to close the school.

Haddo Arts Festival

The Primary 5-7 class will participate in the Haddo Arts Festival this year. The children will be working with the Haddo Arts Team on the Song for Haddo project over the coming weeks, leading up to the performance in Haddo Hall as part of the Haddo Arts Festival on Thursday 12th October. Further details will follow.

Active Schools

Football Training started again last Friday. Many thanks to Paul & Connor Organ for running this for us. Jamie Jones continues to deliver Cricket during Monday Lunchtime. On a Tuesday during PE Time, the children will be taking part in a block of Judo Sessions.
