

Barthol Chapel School

School Term Dates for session 2019-20

As you may be aware, it was agreed nationally that schools would be granted an additional two in-service days in session 2019/20. The school has been advised by Aberdeenshire Council that these in-service days will take place on:

Tuesday 20th August 2019
Friday 11th October 2019

There are also three occasional days during 2019/20 which have been agreed for all schools in the Meldrum Cluster and will occur on:

Friday 14th February 2020
Monday 20th April 2020
Monday 1st June 2020

The school will be closed to all pupils on the above dates. Full details on term dates for 2019/20 can be found at <https://www.aberdeenshire.gov.uk/schools/school-info/school-term-dates/> but it should be noted that this page has not yet been updated to reflect the above.

If you have any questions, please do not hesitate to contact the school.

Farm Visit

On the morning of Friday 7th June, all pupils will be visiting Moss-side Farm to enhance the learning that is taking place in school. A parental consent form will be sent home for you to complete. The children will be having lunch in school as normal. Please ensure that children wear sensible sturdy shoes or take a pair of welly boots with them.

Eco Group Update

The Eco Group would like to thank all who have contributed to the Terracycle recycling Scheme. Lindsey collected all the items and reported that with the help of the school, almost 20kg of plastic has been saved from landfill. Super effort everyone!

We have also started to collect batteries. To date we have collected nearly 9kg of batteries. This has a huge environmental impact due to the fact that recycling batteries prevents toxic materials being released into the soil and waterways as batteries break down slowly in landfill.

Please continue to support the Eco Group with their efforts!

Health & Wellbeing Group Update

The Health and Wellbeing group would like to thank everyone who supported our annual Sports Day on Friday 24th May. The Health and Wellbeing Group would like to thank the Parent Council for organising and providing Hotdogs and Ice Lolly.

Junior Road Safety Officers

The Junior Road Safety Officers have been busy applying for funding to install a covered bike shelter at school. They have looked at all the options available and measured and identified a suitable area of the playground where it can be installed. Good luck with your application JRSOs!
