BARTHOL CHAPEL SCHOOL AWARDED SILVER STATUS BY SPORTSCOTLAND!

We are delighted to announce that Barthol Chapel School has been recognised with a prestigious national award for innovation and achievement in delivering physical education and extra-curricular sport. We have achieved the **sportscotland** Silver School Sport Award for our commitment to engaging all pupils in sporting activity.

As part of the National Lottery funded programme, the **sportscotland** School Sport Award is a national initiative that is designed to encourage schools to continuously improve physical education and sport. Stewart Harris, Chief Executive of **sportscotland**, said: "Congratulations to all the staff and pupils at Barthol Chapel School - they should be extremely proud of this fantastic achievement. Not only have they put physical education and sport at the heart of their school and local community, but they have managed to do so in a way that encourages all pupils to engage in physical activity whilst having fun at the same time."

This award was only possible due to the commitment of parents and members of the community in delivering many opportunities such as Football and Netball after school activities for our children. A huge thank you to those individuals. Also, we are proud of our pupils who enthusiastically engage in curricular activities such as Cricket and Judo during school time. We are engaging in the Daily Mile each morning to continue to promote fitness and Health & Wellbeing.

The teaching staff work hard to deliver PE Lessons which are progressive and give our children the opportunity to develop a range of skills and experience a number of different sports. Thank you to all the staff who work tirelessly for our pupils in school.

A reminder that Tempest Photography will be at Barthol Chapel School on Monday 25th September to take individual/family photos. If you would like your child/ren to have their photo with a sibling who is not a pupil at Barthol Chapel School, please be at the school for 9:15am.

We are holding an Open Evening on Wednesday 11th October from 6pm – 7pm. This is a reporting opportunity where you will have the chance to explore your children's work this term. We encourage the children to come along so they can lead their learning and show you all the different things they have been involved in. Mr Anderson, Mrs Macdonald and Mrs Rodgers will be available on the night to share what has been happening this term.
