Dear Parents/Carers

A reminder that tomorrow is a holiday and you all deserve a well-earned break from home learning. With no let-up of the lockdown restrictions I am sure that things are beginning to take its toll. This can be for a number of reasons such as not seeing family, balancing home working and home schooling. As I said at the start of the week, we do not underestimate the challenge keeping the children motivated and engaged.

I want to reassure you that we are not completing tick list of who has completed which task etc. All we ask is we can see that your child has responded in some way to a task or tasks during the course of a week. Try to schedule learning throughout the day and use the example schedule I shared earlier to help.

In each Google Classroom, you will find “Lockdown Postcards” from the staff. Please encourage your child to read them or share them with your child. This will hopefully boost everyone’s spirits.

I keep saying this but please continue to stay safe and positive. We are all doing a fantastic job.

Yours sincerely

a anderson
